

# OUR STORY

Established in 2005, Cook Pro Inc. began to meet the needs of our customers by importing quality kitchenware & cookware. Within only a few years, Cook Pro Inc. has grown from a hard thought concept into a wonderful reality that now supplies a collective group of customers with a variety of kitchenware products.

Our products are manufactured under trademark "ExcelSteel" and "Cook Pro" and are imported from China & India, using selected factories that have over 25 years of experience in manufacturing and production. We have developed strong relationships with these factories over the past decade. You can be certain that you will be getting superior quality merchandise supplies from Cook Pro Inc.

We strongly believe that you will enjoy the same success stories as our current customers. Please do not hesitate to contact us if you have any questions regarding our products or services. Let us help you grow your business the **Cook Pro way.**
