680

COFFEE PLUNGER
3 DEMITASSE CUPS
W/ COASTER
& MEASURING SPOON

This plunger is constructed with heat resistant Borosilicate glass, low coefficients of thermal expansion and is resistant to thermal shock. This uniquely-designed strainer will produce coffee without particles and will last longer, as well as an exceptionally full-bodied coffee. Far superior to the traditional drip or perk method.

682

INFUSION
TUMBLER
DOUBLE GLASS
WALL TEA

This intricately designed 8.8 oz tea infusion tumbler is made of Borosilicate heat resistant glass, which can take temperatures ranging 248°F to 14°F without cracking. The dual purpose double wall construction keeps beverage warm for an extended period while controlling the exterior temperature. Includes an attached stainless steel tea casing to control flavor and concentration. Infuse by flipping the tumbler upside down so that the tea soaked to the desired concentration. Perfectly design for travel and everyday use.

069

MINI WHISKS
SET OF 4: 5"
STAINLESS STEEL
W/ BENDABLE HANDLE

If you'd love to whisk together a rich homemade cup of hot cocoa, make fluffy scrambled eggs, or whip up the perfect amount of dressing for a salad or two these whisks are exactly the right size to get the job done. Excellent at breaking apart protein powder or cake batter, these whisks are the best utensils for whisking or mixing together smaller ingredients in a jar or bowl. They are even flexible and can fit into smaller containers to make any tiny kitchen task a breeze.

**039
& 040**

TEAL
SILICONE WHISK
STAINLESS STEEL

039 - 8"**040 - 10"**

The perfect tool for any patisserie or confectionery, these stainless steel whisks are a must-have. Designed with a teal silicone design for a unique look. Constructed with stainless steel to tackle tough mixtures and features a sturdy stainless steel grip for extra stability while mixing. Aerate creams, eggs, batters, and more! Built with a hanging loop for convenient kitchen storage.

041 & 042

**TRI-COLOR
SILICONE WHISK
W/ WOODEN HANDLE**

041 - 8.75"

042 - 10"

A perfect addition to any kitchen collection, this beautiful tri-color whisk is constructed from durable stainless steel and covered in non-abrasive silicone. The comfortable wooden grip allows for effortless handling, and the bright tri-color design makes whisking tasks a pleasure. Stainless steel covered silicone ensures this whisk is strong enough to break apart large clumps while still protecting pans and bowls from scratches.

240

**PUSH DOWN
MIXER
STAINLESS STEEL**

This 13" pushdown mixer is constructed of high quality stainless steel made to last. Features a long handle with a soft red thermal plastic rubber grip to ensure reliable use and effortless control. Uniquely designed to mix and whisk with an easy push down action.

244 & 245

HEAVY DUTY FRENCH WHISK PROFESSIONAL STAINLESS STEEL

244 - 12" / 245 - 14"

These professional heavy duty whisks are a must-have for any serious patisserie or confectionery. Constructed in heavy duty stainless steel to tackle the toughest mixtures. Features a TPR non-slip grip for the extra stability while mixing. Adds air to creams, eggs, and anything else you may need, and also features a hanging loop for your convenience.

230 & 233

SILICONE COVERED BALLOON WHISK TRI-COLOR W/ ROSE GOLD HANDLE

230 - 8" / 233 - 10"

Add to your collection the perfect must-have companion for any patisserie or confectionery! This whisk is wonderfully designed with a tri-color silicone balloon shape body and rose gold handle. Built with durable stainless steel to tackle any mixing or whisking task. Create delicious and delectable kitchen creations reliably with a whisk that is built to last! The silicone covering is BPA-free to prevent contaminating foods with harmful chemicals. Replace your old whisk or give it as the perfect housewarming gift! Designed with a loop at the handle for convenient storage and is dishwasher friendly for easy cleanup.

239 & 038

11" SILICONE COVERED FRENCH WHISK WITH NON-SLIP HANDLES
